

Qi Owen Sound

Qi Owen Sound - A Feng Shui is someone who has studied in the field of Feng Shui and is able to help people with the decoration, orientation and layout of both commercial and residential spaces. Feng Shui consultants can be utilized for both interior and exterior or structural applications depending on the project they were hired for. Like for example, she or he can be responsible for only the design and cosmetic dressing of an interior space. On the other hand, if a Feng Shui consultant is brought in to give suggestion during an initial planning stage of a particular project, she or he may offer input concerning the structural elements of the space or the building.

Feng Shui is most normally practiced within office and home locations. In the past, this art was most usually practiced buildings of significance like for example palaces and places of worship. In the nineteen sixties Feng Shui became popular in the West. Various books have been written ever since then and published in English as well as various languages. Several Westerners who have studied Feng Shui have gone on to become consultants.

There are several specific schools that offer Feng Shui courses. To be able to become a Feng Shui consultant, it is imperative to commit intense research time to be able to fully know the practice. Feng Shui is based on an understanding of qi, which is likewise known as "chi." Qi is usually defined as the flow of energy that is linked to all the living things. The practice even relies on polarity, the theory of yin and yang and magnetic pull. A Feng Shui consultant must even be familiar with the many symbols connected to practice and knowing a lot about qi.

Normally, in the West, Feng Shui is normally done inside private residences. Although there are several professional spaces that are dressed or built according to the principles of Feng Shui, they are rare. Even though the area in general has not been organized to the philosophy of Feng Shui, it is possible to include elements into private work spaces. When including Feng Shui into designing and dressing a bigger space, it may be wise to consult a Feng Shui consultant, even though it is possible to do smaller projects on one's own.

Various Web sites provide a lot of good information concerning Feng Shui principles and its histories. Information on these websites will include information regarding the schools providing courses in addition to general knowledge of Feng Shui. Some of these websites also provide contact details for people in search of a Feng Shui consultant.
